WHAT IS THE LMG JOB VACANCY STUDY?

Vacant Position or Vacancy: This refers to positions that are currently open and actively seeking candidates.

This Job Vacancy Study is a monthly publication that The Labour Market Group compiles, using data from a variety of sources. It provides current key information about job postings in the Nipissing District. Job postings were gathered online from www.jobbank.gc.ca, www.indeed.ca, and www.wowjobs.ca, and the North Bay & District Jobs Facebook page. They were also gathered from our local newspapers including: Almaguin News, Parry Sound North Star, North Bay Nugget, Mattawa Recorder, and West Nipissing Tribune. The jobs in this study are by no means an exhaustive list of every available job during the collection period. It is simply a tally of jobs posted to the sources listed above.
